Moose Jaw, SK

The Male Adult Transitional Housing is a supportive living program offered at Riverside Mission in partnership with Mental Health and Addictions Services.

This program is intended for males ages 24 and older who are in a post intensive treatment phase.

We have 4 rooms reserved for men who are committed to remaining sober and are in need of a drug and alcohol free supportive living environment.

Riverside offers a positive, encouraging environment with basic support services such as:

- life skills coaching
- personal care
- social skills
- supportive problem solving
- employment readiness
- appropriate use of community resources

Our desire is to aid our participants on their journey to recovery and to build independence for future success and wholeness.

The intended length of stay is be 6-9 months.

## Requirements for admittance

- Males 24 years and older
- Have at least 2 weeks of sobriety
- Be in a post intensive treatment phase
- Have a strong commitment to recovery
- Have a desire for supportive services offered by Riverside Mission and be committed to their operational standards and policies
- Have a referral from the Mental Health and Addictions Services of the Five Hills Health Region
- Have an Individual Recovery Plan
